INTERNATIONAL
MARKET CENTERS

Eller Enterprises Congratulates International Market Centers.

Eller Enterprises operated the office of Chief Transition Officer for International Market Centers after their successful completion of transactions in High Point and Las Vegas that created the world's largest provider of premier showroom facilities in the Furniture, Gift, and Home industries. We congratulate Bob Maricich and the entire IMC team of professionals in High Point and Las Vegas as they move forward to operate successful markets in the industry for both vendors and retailers alike.
